In the Matter of the Petition

of *A. C. Davis*

and others for a County Road.

STATE OF OREGON, } ss
County of Yamhill.

To the Honorable County Court of the State of Oregon, for the County of Yamhill:

The undersigned, who were duly appointed at the *March* term in the year

18*97* of the above entitled court, as viewers of the road prayed for in the above named petition of

A. C. Davis

and others, hereby report:

That we met at *Hebennawille* on the *23* day of *April*

18*97*, that being the time and place prescribed for such meeting by the court; and, after taking an oath faithfully and impartially to discharge the duties of our appointment, which oath is herewith

pled, we took our assistance *Am M Jones* and *A*

Allen as chain bearers, and *Halley Morgan* as marker, and

preceeded to view, survey, and lay out said road as prayed for in said petition, as near as in our opinion a good road can be made at a reasonable expense, taking into consideration the utility, convenience and incurrence and expense which will result to individuals as well as to the public, if such road shall be established and opened.

We also caused *L. E. Hanson* the surveyor appointed for that

purpose, to survey the proposed road, under our direction, and caused the proposed road to be conspicuously marked throughout, and the corners and distances thereon noted, all in the manner required by law. Reference for particulars of said survey is hereby made to the plat and survey of said proposed road, made by *L. E. Hanson* and herewith filed.

We are of the opinion that said proposed road should be established, as described in

said plat and survey, for the following reason viz:

that ground that is now

owned by quite a large body of owners now known under your and our joint names, marked for a fine quality of land.

County, State of Oregon .

In the matter of the petition)
-of-) Complaint .
A. C. Davis, et. al. for a county)
road .)

The undersigned complainant for his cause of
action complaint herein, complains and alleges :

That he is the owner in fee simple and in possession
of the real premises situated in Yamhill County, State of Oregon,
described in that certain deed made by A. W. Wood and Mary C.
Wood, his wife, to Joshua P. Brown on May 3rd, 1892, and which deed
~~is recorded~~ was duly recorded on said May 3rd, 1892, in
Book 27, page 268, of records of Deeds for said County .

That complainant would be greatly injured and damaged
and his premises rendered much less valuable by the opening of
a county road as prayed for by the petitioners in the above
entitled proceeding, and as viewed and laid out by the viewers
heretofore appointed by the County Court to view and lay out
the road in the above entitled proceeding .

That in case said road should be established as
petitioned for and viewed by said viewers, complainant will be
necessarily compelled to build about one mile of fence at great
expense .

That, said road as petitioned for by said petitioners
and viewed by said viewers passes through complainant's lands,
and by reason thereof complainant will be deprived of the use
of about two and one half acres of his lands .

That said road will not be of any advantage to complainant,
or render his said farm any more valuable for the reason that
complainant has a convenient roadway and outlet from, and inlet
to his said farm, but that he will be put to much expense and
trouble in maintaining one mile of fence along a public
highway as he will be compelled to do in case said road is
opened as petitioned for and viewed out .

That by reason of the premises aforesaid complainant
will be injured and damaged by the opening of said road as
petitioned for and viewed out, in the sum of three hundred
dollars .

Wherefore complainant prays for the sum of three
hundred dollars damages in the above entitled proceeding .

In the County Court of the State of Oregon for the County of Yamhill.

In the matter of the application of A.G. Davis and others for a Court-ly Road, Survey Number 387

Complaint for Damages.

Comes now John Redmond and complains and shows to the Court: That he is the center of and in possession of 337 acres of land adjacent to the proposed County Road described in the above entitled proceeding.

That the said proposed County as described in the survey in said proceeding if established will take for public use about one acre of said land and will cause said complainant to move about eighty rods of fence, and maintain all of said fence, whereas he now has to maintain only one half of said fence.

That said complainant would be damaged by the location and establishment of said proposed County road, if located and established as described in said Survey No. 387, in the sum of \$250.00.

Wherefore complainant prays the Court to appoint Commissioners to assess and determine what damages, if any, said complainant would suffer by reason of the location and establishment of said proposed road, and also to order said sum of \$50.00 to be paid to complainant out of the County Treasury, in case the said road is located and established as described in said survey.
